**ERASMUS PLACEMENTS IN SCHOOLS**

[POR FAVOR, PREENCHA O FORMULÁRIO NA (NUMA DAS) LÍNGUA(S) DE TRABALHO DO ESTÁGIO: ALEMÃO, ESPANHOL, FRANCÊS, INGLÊS]

**ESCOLA DE CASTELO DE PAIVA** is a large group school which contains several different types of schools; from kindergarten to adult education; from general education to professional education. The school is located at the border of the district of Aveiro. This institution is in a disadvantaged area in which some of the students are at risk of social exclusion and there is an increasing number of migrants due to the economic situation in Portugal. Unemployment is increasing at an alarming rate and the number of students lacking basic needs is currently increasing dramatically as we have observed in our school. The lack of employment, which provokes migration of inhabitants to larger centres and abroad in order to improve their lives, is one of the major problems. An additional problem that affects our institution is the lack of parental support and guidance as some parents have emigrated to a foreign country. Many of our pupils come from disrupted families where illiteracy is dominant, there

<td><strong>The Erasmus Trainee(s) should collaborate with the activities of the Foreign Language Department, namely the English Teachers. The trainees are expected to help promote the speaking skills and intercultural learning. As the Key Exam will continue being implemented in the coming years, our school feels the feel to provide our students with some help while preparing for the English exams, namely the spoken interaction since our English teachers do not have enough time to promote this skill as the classes have a large number of students (most over 26 students per class).</strong></td>
